**Staff Policy and Procedures Document 4 Make Believe Policy**

Our make-believe policy needs to be in line with the ethos of our studio.

All free expression and additional make-believe activities need to be pleasant, nice, kind, good etc. Please completely avoid the usage of witches, wizards, evil magicians, bad trolls, goblins and any other dark occult characters.

There is an exhaustive and inclusive list of make-believe in the ATOD syllabus that can be drawn from and included in lower and older grades.

We will use limited “witch” references in the concert but only for older students who are more able to cope with these concepts. Also, we will gain permission from the students’ families before we select these roles.
