Staff Policy and Procedures Document 15 Performance Team Policy

Our performance teams are in integral part of our Radiance Academy Family. These students are our **go-to students** who are the face of Radiance. We perform at many and varied locations across our region. These engagements include community events, fetes, the ATOD competitions and eisteddfods!

In 2020 these opportunities will increase again. And we are looking for the next amazing group of students to represent our studio next year. We are open to your expression of interest for 2020. We will take into account family support, ability, commitment, technical and performance capabilities. All costumes will be provided for performances free of charge apart from end-of-year concert costumes and costumes for individual solo performances.
